

Champion of Champions Tournament

RULES AND PLAYING CONDITIONS

Players will qualify for the Champion of Champions event as follows:

1. All players who attend an event will obtain points based on the following structure:
 - Winner = 8 points
 - Runner Up = 6 points
 - 3rd place = 4 points
 - 4th place = 2 points
2. After all 4 Super8serieS Tournaments, the points accumulated from all events participated in will define the player's place in the order of merit table.
3. The overall top 4 players in the Order of Merit table will play in the Champion of Champions Tournament.
4. The points will now be taken from ALL events in which a player participates and NOT the best 3 as previously stated.
5.
 - a) In the occurrence of players being tied on points, then the total number of matches won across the 4 tournaments will determine who finishes higher; this will include the 7th playoff match in each event.
 - b) If players are still tied, then the total number of non tie-break sets won in the 4 tournaments will be used.
 - c) If players are still tied, then the total shots scored in the 4 tournaments in non tie-break sets will be used.
